**Mr. Naveen Prakash, (Co-Founder and Director Global Logistics Solutions Pvt Ltd, Chennai)- Master Class I**

At MCC BTSB, we have a culture of bringing in current industry experts to interact with our students so that they can learn from the experts about their journey, and also know what the current business trends are. In line with that, we were glad to host Mr. Naveen Prakash, Co-Founder and Director Global Logistics Solutions Pvt Ltd, on October 18 and 19th for a Masterclass with the students.

During day one, Mr. Naveen explained how shipping companies operate and also gave an insight into why shipping through waterways is more sustainable. He took pride in introducing his company's ship, Hope Seven, which is the only ship that goes from Chennai to Puducherry every day. He elaborated various job opportunities available for our students in the field of logistics and showed the pathway to grab those opportunities. His enthusiasm and energy were contagious, and our students left the session feeling refreshed.

During day two, Mr. Naveen shared his personal story with our students which motivated them. His journey inspired our students to be great leaders. At the end of day two, he asked every student to give a small presentation on what were the key takeaways from the Masterclass.
